MANAGER'S NOTES

Welcome today to our attractive visitors Wigan, who are currently the League leaders. This will be the third consecutive game against top four opposition for us in seven days. I hope this result proves to be a much better one for us than the other two have been.

I cannot & won't try to make any excuses for those two terrible results. They are a severe blow to my own pride & I hope to the players pride also. I found it very hard to swallow when you can for periods of the game be as good if not better than them, & finish up getting hammered. As was the case with both Bradford City & Sheffield United.

Obviously you look for explanations, but in the final analysis, it comes down to the character of your players both individually & as a team. The only way to rectify matters is to be honest with yourself & attempt to put things right. I hope the straight talking & work put in since last Monday has gone some way to doing this.

On the point of my own 'shortcoming' regarding the remark I made to one of the officials. I can offer no excuses, only an apology. Although it gets very frustrating when you are battling for survival as we are and you feel that even the powers that be are against you. The rules state that I cannot comment on match officials and in the heat of the moment I did.

I must give you the supporters a big thankyou for your tremendous conduct at last Monday's game. You were a credit to the football club in such difficult circumstances.

Let me finish by asking you once again to get behind us & try & lift us in the battle ahead over the remaining games so that we can come out on top. It is a challenge & we do need you.

M.E. BULLOCK,
Manager.

GOOD LUCK TOWN IN SEASON 1981/82

WELCOME TO OUR VISITORS

Wigan Athletic

Wigan Snippets

Todays Wigan Athletic were the first team in the League which Wigan Borough had donated to in October 1931 - a dilemma which created the first of only two re-namings from the league during its history.

Athletic first appeared in the F.A. Cup Competition proper in the 1934/35 season when they were defeated by Tottenham Hotspur 6-1 at Carlar & deferring Tottenham United & this performance was repeated in 1957/58 when they were again defeated by Tottenham United following their move to White Hart Lane. In 1979/80 however, this decision was reversed to the fourth round when Wigan Athletic were beaten at victory over Chelsea before going on to defeat Everton.

The re-naming of football league clubs has been a most important factor in the history of the club. Wigan Athletic & in 1950 the club suffered a tremendous blow to its reputation when they were beaten to a place in Division 2 by Stevenage United on the 3rd count.

League status is secured, was given the right to re-grasp the title and the club's reputation, the best supported also - can but anxiously their efforts were rewarded in 1978 when they were promoted to the 2nd tier of the football pyramid.

Since then of course, Wigan Athletic have made excellent progress and today, on the third day of the season, their story looks set to be a fairytale ending. - With the obvious exception of today's defeat. - We wish them well - Good Luck.

WELCOME TO SPRINGFIELD PARK

Back Row: (Left to Right) Kenyon Banks, (Thurs) Lee, Bould, Steve McIlkenn, Neil Davids, Graham Barrow, Peter Houghton, Roy Tunks, John Brown, Ben Ford, Colin Matthews, Mike Quinn, Alex, Othby, George Unwin, Harry McNally (Goal).
Ground Row: (Left to Right) John McIlkenn, Kevin Skelton, Mark Wignall, David Gleave, Larry Lloyd (Manager), Chris Lawler (Assistant Manager), James O'Keeffe, Jimmy Whiston, Chris Evans, Jeff Wright, Steve Baw, John Butler, Kevin Lawler, Wayne Appiah, George Harrison.

Spotlight on.... Wigan Athletic

Goalkeeper **ROY TUNKS** is now established in the Wigan ranks after joining the club from Preston North End where he made 277 League appearances. An experienced custodian, he was formerly first choice at Rochestham United (where he made 138 appearances) & has also served YORK City & Ipswich Town as a loan player.

A close season signing from Crew Alexandra, **JURGEN MOKWONA** is sure to have a sparkling debut in the top flight. Mokwona has been a regular goalscorer in his career which began at Preston North End. He has included long spells at Southend United & Chesterfield. A player whose polished skills & keen positional sense have made him a key figure in the Springfield Park football league for promotion. The distinction of being Wigan's first apprentice following their elevation to the Football League belongs to local born **DAVID CLENN** - described as a 'revolution in the pre-season games' this talented young player has performed well in his customary wing role but more recently, has turned in some excellent performances in the fullback position.

Player/Manager LARRY LLOYD needs little introduction to fans throughout the four divisions for, this battle-hardened English international has over 400 football league games to his credit & a wealth of experience gained through service at Bristol Rovers, Liverpool, Coventry City & Nottingham Forest. Since his appointment in the second half of last season he has brought a more professional approach to the play of his side & now looks set to continue to be rewarded with promotions.

almost certain to be. COLIN MATHENIS is the club's record signing at a fee of £30,000 from Scottish side East Fife. On October 1979, this is certainly a case of money well spent for a player, good in the air and strong in the tackle. He proved a key figure in the sides defensive organization, and at Captain, leads by the all important example. CLIVE EVANS is another player in the Wigan ranks to have cost a sizeable fee when signed from Tranmere Rovers during the club's season. A 'precise & cultured individual', the malice one of the club's long-term goals for the Mersey side club. Another player signed by the club is GRIHAM BARROW, strong & aggressive, he has been fully expected to play a full time football since leaving the Alliance Premier League side Altrincham. The club's record signing of our visitors today is undoubtedly LES BRADD, who arguably, could have been the best of Larry Lloyd's close season signings. With well over 500 League appearances, & more

PETER HOUGHTON is a player who has been with Wigan since their entry into the League & despite a series of niggling injuries last term has shown a high level of consistency. An exciting attacker with an eye for goal, he forms a formidable spear-head with **BRAD & MIKE QUINN**, a young, bustling forward whose performances have quickly attracted the interest of the higher division clubs. A product of Wigan's youth & reserve teams, he made his mark last term when finishing as the sides leading goal scorer. After considerable Central League experience with Liverpool, **ALEX CRIBLEY** joined Wigan in October 1980 & went on to play 40 times, his goal tally of 16 is most to the end of this season. A determined customer who it equates at home in the Irish international **RAMON O'KEEFE** began his career with Manchester where he was loaned for a reported £55,000, while midfield maulage **JIMMY O'NEILL** is another to join Wigan midway through the season for a reported £55,000, while joining Blackpool & Torquay in the summer. **BRIAN TAYLOR**, who is currently on loan from Preston North End.
